

Summer at Stillwaters is in full swing and the hot temperatures have pushed people indoors in our neighborhood for the weekend. With temperatures in the 90's I thought I would share some "cool" stuff today!

A cool drink:

SUN TEA (Printed from COOKS.COM)

1 gal. cold water 6 tea bags Place cold water in large glass jar. Add tea bags. Close lid and loosen a little. Put in sun until water is dark. Remove tea bags and drink over ice.

A cool Joke:

What's Your Name, Again?

Two elderly ladies had been friends for many decades. Over the years they had shared all kinds of activities and adventures. Lately, their activities had been limited to playing cards a few times a week.

One day when playing cards, one looked at the other and said, "Now don't get mad at me. I know we've been friends a long time, but I just can't think of your name. I've thought and thought, but I can't remember it. Please tell me what your name is."

Her friend glared at her. For at least three minutes she just stared and glared. Finally she said, "How soon do you need to know?"

A cool quote:

"Keep your face to the sun and you will never see the shadows." – Helen Keller
