

Happy 4th of July!
June 29, 2018

Stillwaters Estates celebrates Independence day in a big way every year. Our 4th of July celebration begins with a big BBQ, with Stillwaters providing hot dogs and hamburgers (and all the trimmings) and residents bringing sides, salads and desserts. This is always a fun time to celebrate the holiday and gather with neighbors.

Details: BBQ starts at Noon on the 4th, here in the Gathering Place. We have to limit this event to residents only due to space considerations. Come with your favorite side, salad or dessert to share. Plates and silverware will be provided along with the amazing hot dogs and hamburgers.

Later in the day drive to downtown Centralia for the annual 4th of July parade. It starts at 4:00 and finding a spot to plant your folding chair on Tower or Pearl will get you a good view of the festivities. The weather should be in the 70's, which means pleasant parade viewing.
